

About the houses...

There are four houses in the Tampa Bay area with a total of 80 bedrooms that include a private bath. Three of the houses are located in St. Petersburg by All Children's Hospital. The first house in Florida was built there in 1980 and our newest house, built in 2009, also resides in that location. The Tampa house opened in 1992 and is adjacent to Tampa General Hospital.

These houses serve 2,000 pediatric families annually and allow them to be provided with the comforts of home while staying at a close distance to the hospital. We owe all our loving care to our dedicated volunteers, staff and residents who provide support, encouragement and understanding while waiting for a child's recovery.

Lend a helping hand...

The Ronald McDonald House Charities of Tampa Bay strive to continually improve and expand our program based on the community's needs, but we can't do it alone. We rely on our current relationships with the medical community, organizations and donors. To lend a helping hand and make a donation please visit our website at

<http://www.rmhctampabay.com/donations.php> or call Janice Davis at (813) 258-6430 Ext. 1.

100% of donations stay locally.

Celebrity Quote:

“As a father of three, I value every minute that I spend with my children and family. And especially in the time of a child's illness, nothing is more important than to have the family unit together to support one another. Ronald McDonald House Charities provides an invaluable resource to parents and families at a critical time in the health and well-being of their kids.”- Al Roker
