

Keeping families close  
while helping children heal

Many families travel near and far to receive treatment for their critically ill children. The length of treatment can be a week, a month or even a year. Distance can be difficult for families and children in need and the Ronald McDonald House Charities of Tampa Bay are here to lend a helping hand.

The Ronald McDonald House Charities of Tampa Bay are a local nonprofit organization. For 29 years they provided comfort and care to children and their families by offering them a “home-away-from-home” during hospitalization.

## Our Mission

The mission of Ronald McDonald House Charities is to create, find and support programs that directly improve the health and well being of children.

We believe that when you change a child’s life, you change a family’s, which can change a community and ultimately the world. We strive to be part of that change and part of the solution in improving the lives of children and their families.
